Another Tip! THE PARTY FACE!

Don't forget your FACE when you are putting on the Glitz & Glamour for the Holidays. Polish your face with Premier's "do-it-yourself" facial.

Contour Powder Mask mixed with **Cell Lift** will give your face that *glow* and *freshness* to make you SPARKLE head to toe!

The morning before the big party, treat your face to this exfoliating cocktail! If you have a bottle of **Line Refine**, add a drop of this in the mix. Your skin will instantly look like you have spent \$\$\$\$\$ on a facial!
